Our goal for this Summer Camp Guide is to answer all of your questions. If it doesn't, please don't hesitate to get in touch with us. We want to do everything we can to help you and your camper feel prepared and excited for your upcoming experience at Camp Michawana.

A staff member is available to answer questions Monday - Friday between 9:00am and 5:00pm at (269) 804-3440 (Option 3). If you have an emergency please call our emergency line at 269-804-3442 and someone will call you back. ## Camp Philosophy

Camp Michawana's mission is to **Plant the Word of God into lives so that each camper will know Christ as their Savior and become unashamed in their faith, living purposely for the Lord.**

We believe that a Camp Michawana experience should be available to all. We believe that all human life is sacred because it is created in the image of God, and we are called to respect every camper and guest regardless of their ability, gender, culture, religion, race, region, or socio-economic status.

Camp Michawana has been serving campers, families and guests since 1938. The camp experience draws a camper or guest away from the routine of everyday life and has the power to transform lives. Camp combines intentional programming, activities, Bible teaching, and opportunities to try something new in a safe environment. Staff members are energetic, encouraging, compassionate, fun-loving Christian role-models and have a lasting impact on campers' lives. Camp Michawana serves campers and guests of varying faiths, as well as no faith at all. It is our hope that everyone who comes to Camp will see the love of Jesus through our staff and programs.

## Summer Camp Goals + Objectives

We desire:

1. That our mission would be carried out and that by learning God's Word each camper would:
  - Have a clear invitation to place their faith in Jesus.
  - Go home with a desire and ability to grow in their relationship with Jesus Christ.
2. That campers would have meaningful memories and a joyful experience knowing that they and every human is sacred because they are made in the image of God on purpose for a purpose.
3. That each camper will experience new adventures, knowledge, skills, and habits.

## The Camp Experience Defined

The Michawana experience intentionally combines faith and fun by providing tangible, physical parallels to our spiritual journeys in a place where young people not only hear, but also see and experience Jesus. Campers live in small, welcoming lodges where they are able to “start with a clean slate”, have healthy interactions with peers, and develop personal, loving friendships with our staff. We constantly seek feedback to be sure that our programs and facilities continue to be innovative, creative, exciting, relevant, and in alignment with our goals. We also ensure that our staff is thoroughly trained to be mission-driven and mission-effective in order to exceed expectations.

This experience stems from the foundational truth that our work is about how God, through Jesus and the Holy Spirit, changes lives. Because of this, we love kids without pretense or judgment.

## Summer Camp Theme 2026

# STITCHED AND RIPPED

God's Rehab plan to heal & strengthen what matters most.

**Stitched & Ripped** is a weeklong journey where we open God's Word to see how Jesus brings healing and strength to the relationships that matter most. Each day, campers explore one key relationship—**with God, Family, Friends, Church, and Authority**—and discover how sin has “ripped” what God originally designed to be whole. Through Scripture, skits, and hands-on experiences, campers learn how Jesus stitches what's broken, restores what's hurting, and empowers us to live in healthy, grace-filled relationships according to His perfect design.

Camper medications must be noted on the camper's Health Form. You can access the Health Form by logging into your account. All medication changes must be updated in child's account prior to arrival.

The Infirmary is stocked with Over-The-Counter meds for campers who may need an unexpected medication. If no med should be given, please note that on the Health Form.

Camp Michawana has established rules to ensure the safety and happiness of all campers. If a behavioral problem is significant or persistent, parents will be contacted. Campers who do not demonstrate appropriate behavior will be sent home from Camp at the discretion of the Directors. Early dismissal will not warrant the refund of fees.

For the best camp experience, please send behavioral meds to Camp as you would give during the school year.

### First Time Campers/Homesickness

Homesickness with campers is common. Parents can help with the adjustment of their campers by leaving on a positive note. Set campers up for success by setting goals with them and being enthusiastic about their upcoming experience. It is best not to promise that campers can call home or leave Camp early if they are homesick.

Our camp staff are well-trained to help campers adjust to life at Camp by immediately involving them in fun activities and team bonding. Though homesickness is common in some campers, it is usually short-lived due to all the fun and people encouraging them at Camp Michawana. A leadership staff member will contact parents in persistent home sickness cases.

Thank you for letting us partner with you and allowing us the opportunity to spend part of the summer with your kids! Our prayer is that Camp is a catalyst for spiritual growth. We will send Bible Buddy follow up papers to your church or home and send Keys for Kids or Unlocked Devotionals with the camper and in the mail throughout the year. If you'd like help connecting with a church, please reach out!
