**\$30,000**

So far we've raised over \$103,000 helping to send over 1000 kids to camp! That's 1000 lives changed, 1000 times the gospel is shared and these kids and teens know that someone loves them. We can't think of a better reason to have sore buns! Get more info and see stories of lives changed at [www.michawanacamp.org](http://www.michawanacamp.org)

# THE TRAIL

## The Heartland Trail

Starting Point: Jackson's Landing—Greenville  
321 E Washington St, Greenville, MI 48838

We begin on the Flat River Trail for just over a mile until it connects to the Fred Meijer Heartland Trail.

**Pit Stop #1: Donuts & Snacks @ Stanton (14 miles)**  
Enjoy paved trails ALL day on the gorgeous Fred Meijer Heartland Trail. Travel across bridges and rivers in Greenville, then past potato farms, along Peck road, then through a state game area. We'll be waiting with treats for you after this LONG first leg.

**Pit Stop #2: Lunch @ Edmore (9 miles)**  
Pedal your way past a series of woodlands, meadows, and more potato farms. Go through the small town of McBride and into quaint Edmore where we will have a feast, program, and prizes waiting.

**Pit Stop #3: Snacks at Stanton**  
To limit exposure and practice safe social distancing we will be biking back to our cars instead of riding in a shuttle. You can feel free to continue the trip farther or head back.

**Ending Point: Greenville—at your car!**  
No need to wait for us or ride with strangers, enjoy your afternoon and stay safe. We will have a Sag Wagon available for break-downs (bikes or mentally) to help you get back if needed.
