## Summer Camp Guide

### Welcome

This summer is going to be incredible and we are so excited to welcome you to Camp Michawana! Thank you for letting your child(ren) spend part of their summer with us on the beautiful shores of Long Lake.

Our goal for this Summer Camp Guide is to answer all of your questions. If it doesn't, please don't hesitate to get in touch with us. We want to do everything we can to help you and your camper feel prepared and excited for your upcoming experience at Camp Michawana.

A staff member is available to answer questions Monday - Friday between 9:00am and 5:00pm at (269) 623-5168. If someone is unable to answer your call, please leave a message and we will get back to you quickly. You can also send us a message anytime at [info@michawanacamp.org](mailto:info@michawanacamp.org) and we will respond to you as soon as possible.

### Camp Philosophy

Camp Michawana's mission is to **Plant the Word of God into lives so that each camper will know Christ as their Savior and become unashamed in their faith, living purposely for the Lord.**

We believe that a Camp Michawana experience should be available to all. We believe that all human life is sacred because it is created in the image of God, and we are called to respect every camper and guest regardless of their ability, gender, culture, religion, race, region, or socio-economic status.

Camp Michawana has been serving campers, families and guests since 1938. The camp experience draws a camper or guest away from the routine of everyday life and has the power to transform lives. Camp combines intentional programming, activities, Bible teaching, and opportunities to try something new in a safe environment. Staff members are energetic, encouraging, compassionate, fun-loving Christian role-models and have a lasting impact on campers' lives. Camp Michawana serves campers and guests of varying faiths, as well as no faith at all. It is our hope that everyone who comes to Camp will see the love of Jesus through our staff and programs.

## Summer Camp Goals + Objectives

We desire:

1. To send each camper home to face life with a new or renewed commitment in their relationship with Jesus Christ.
2. To send each camper home with the desire and ability to grow in their relationship with Jesus Christ.
3. To send each camper home with memories of a wholesome, meaningful, and joyful experience.
4. That each camper will experience new knowledge, habits, and skills.
5. To send each camper home knowing that all human life is sacred because it is created in the image of God. The child will learn that people are to be valued as people created in the image of God.

## The Camp Experience Defined

The Michawana experience intentionally combines faith and fun by providing tangible, physical parallels to our spiritual journeys in a place where young people not only hear, but also see and experience Jesus. Campers live in small, welcoming lodges where they are able to “start with a clean slate”, have healthy interactions with peers, and develop personal, loving friendships with our staff. We constantly seek feedback to be sure that our programs and facilities continue to be innovative, creative, exciting, relevant, and in alignment with our goals. We also ensure that our staff is thoroughly trained to be mission-driven and mission-effective in order to exceed expectations.

This experience stems from the foundational truth that our work is about how God, through Jesus and the Holy Spirit, changes lives. Because of this, we love kids without pretense or judgment.

## Summer Camp Theme 2024

Whether it's your character, the decisions you get to make, or the adventures you go on, playing games is fun! There are a lot of lessons we can learn about life from playing games. The difference with life and a game is that at the end of the game you can unplug or put it back in the box, but at the end of your life it's not over... you will stand before God to give an answer for your choices and “adventures”.

Each day we will be looking at some lessons you can learn from games, then dig into the greater truth that real life is MORE than a game because the stakes are higher, the score is final, and the outcomes are eternal.

Campers will discover that living for Jesus is not head knowledge or repeating a prayer and then doing whatever you want, it's true life with eternal impact. Knowing the facts about

what Jesus did is not the same as surrendering and following Him. When you put your faith in Jesus, your heart will change and the “plays” of your life will reflect it. We guarantee we'll have a ton of fun doing it.

Scripture Focus: James 1:22 – “Do not merely listen to the Word and so deceive yourselves, do what it says!”

### Cell Phones

We hope to give campers a break and a chance to disconnect from the outside world while they are at camp. Cell phones are disruptive and problematic at camp, therefore they are not permitted.

## Health, Medications & Food Service

### Health Center - Infirmary

Our infirmary is staffed with Health Care Officers or Licensed Nurses each week who meet all State of Michigan requirements. They are on duty 24/7 to meet any health needs. Campers who are not feeling well or have an injury should visit the Infirmary. A doctor is on call 24/7. If necessary, an E-unit ambulance may be called.

Calls are placed to parents when:

- A camper goes to the hospital
- A camper needs to be seen by a doctor
- Other situations left up to the discretion of the health care officer/nurse

### Health Form

Camp Michawana is required to have a Health Form on file for each camper. Parents/guardians can complete the Health Form by logging in to their online account. **Health forms not completed during initial registration must be completed by one week prior to the start of the camp week.** If any major changes happen please notify the Camp Office.

### Medications

All medications, both prescription and over the counter, including vitamins and supplements, must be checked in at the Health Center with the Health Care Officers on Opening Day (i.e. eyedrops, hydrocortisone, allergy medications, etc.) *No medications are allowed in cabins (with the exception of inhalers and epi-pens).* All medications must be in their **ORIGINAL** container noting RX number, camper name, physician name, and dosage. We recommend only bringing the amount needed while at camp, plus one additional dose. Camper medications are dispensed prior to each meal and bedtime. If a camper needs to receive medication at a different time, special arrangements can be discussed with the Health Care Officer on Opening Day. Camper medications must be noted on the camper's Health Form. You can access the Health Form by logging into your account.

The Infirmary is stocked with Over-The-Counter meds for campers who may need an unexpected medication. If no med should be given, please note that on the Health Form.

Any leftover camper medications will be returned to parents/guardians on Closing Day.

### Health Screening

We screen all campers for good health prior to admission. We request that no campers come to camp ill or with a contagious condition. Campers must be fever-free for 24 hours without taking fever-reducing medicine. All campers will be screened for lice on Opening Day. If a camper is found with lice, they must leave to be treated, and may return after treatment.

### Meals

Trained food service staff prepare nutritious meals for campers. Fresh fruit, vegetables and other healthy options are offered every day. A salad bar is available at lunch and dinner most days. Campers are encouraged to drink water at every meal and throughout the day to prevent dehydration.

### Food Allergies & Restrictions

Please indicate food allergies and dietary restrictions on your camper's health form. Please email our Food Service Director with any dietary needs or concerns at least two weeks prior to your camp week.

### Camper Behavior Expectations

Camp Michawana has established rules to ensure the safety and happiness of all campers. If a behavioral problem is significant or persistent, parents will be contacted. Campers who do not demonstrate appropriate behavior will be sent home from Camp at the discretion of the Directors. Early dismissal will not warrant the refund of fees.

For the best camp experience, please send behavioral meds to Camp as you would give during the school year.

### First Time Campers/Homesickness

Homesickness with campers is common. Parents can help with the adjustment of their campers by leaving on a positive note. Set campers up for success by setting goals with them and being enthusiastic about their upcoming experience. It is best not to promise that campers can call home or leave Camp early if they are homesick.

Our camp staff are well-trained to help campers adjust to life at Camp by immediately involving them in fun activities and team bonding. Though homesickness is common in some campers, it is usually short-lived due to all the fun and people encouraging them at Camp Michawana. A leadership staff member will contact parents in persistent home sickness cases.
